

TG RINSE AID

LIQUID RINSE AID FOR DISHWASHING MACHINES

Item No.: LJK187-5 TG Rinse Aid, Swan-labeled - 5 liters

SPOT-FREE SWAN-LABELED DRYING

NO LIMESCALE STAINS

SUITABLE FOR BOTH SOFT AND HARD WATER

CONTAINS SPECIAL SURFACTANTS AND FOAM SUPPRESSION

APPLICATION:

TG RINSE AID is a rinse aid for industrial dishwashing machines, where a limescale- and spot-free wash is desired. TG RINSE AID contains special surfactants that reduce the surface tension of water, resulting in a crystal-clear finish. TG RINSE AID is foam-suppressed and designed to provide the best wash without compromising on either environmental standards or performance.

INSTRUCTIONS FOR USE:

pH value (concentrated) approx. 6-8

Fragrance-free

Connect to automatic dosing system
