APPROVED BY THE VETERINARY AND FOOD ADMINISTRATION

QUICKLY AND EFFECTIVELY DISSOLVES OIL, FAT, AND BURNED-ON RESIDUES

CAN BE USED FOR CLEANING EVERYTHING, FROM KITCHEN TO VEHICLES

ECONOMICAL TO USE - HIGHLY CONCENTRATED

APPLICATION:

TG POWER CLEAN is designed to be an effective heavy-duty cleaning agent. The product is approved by the Veterinary and Food Administration and is highly suitable for use in large kitchens, as well as for all types of degreasing in industry and agriculture. Due to its special composition of active ingredients, TG POWER CLEAN is extremely effective for thorough and heavy-duty cleaning, including degreasing and tackling even the most challenging tasks.

INSTRUCTIONS FOR USE:

TG POWER CLEAN is mixed with lukewarm or hot water.
Normal dosage: 3%, applied with a brush, sponge, mop, low-pressure sprayer, foam applicator, or high-pressure cleaner. For specific tasks such as vehicle washing, engine cleaning, resin, machinery, concrete, etc., refer to the label for dosage instructions.
