Item no.: LPC122 (Rubber adapter)

**CLEANS UP TO 20 METERS INTO THE PIPE**

**HARMLESS FOR ALL TYPES OF PIPES**

**DISINFECTING LEMON SCENT**

**ECONOMICAL TO USE**

**ENVIRONMENTALLY FRIENDLY - CONTAINS NO TOXIC SUBSTANCES**

#### APPLICATION:

POWER PLUMBER is used to unblock all types of clogged drains. The product is easy and very effective to use. POWER PLUMBER can also be used for drains that are partially clogged but have poor suction. POWER PLUMBER is environmentally friendly in use - contains no toxic chemicals and is not harmful to any type of pipe.

Let our consultant show and demonstrate.

#### INSTRUCTIONS FOR USE:

The drain and the cap of POWER PLUMBER must be filled with water, and a shot can now be fired for about 1 second. If the blockage is not cleared, repeat the process. For more detailed information, see the label.
