

CLEANING AND CARE SPRAY - STEEL ETC.

Item No: L211-400, TG UNICARE, 400 ML.

CLEANS AND MAINTAINS IN ONE STEP

LEAVES SURFACES LOOKING GREAT

ANTISEPTIC AND DIRT-REPELLENT EFFECT

USED FOR STAINLESS STEEL, VINYL, PLASTIC, RUBBER, METALS, ETC.

LASTS 2 TO 3 TIMES LONGER THAN OTHER CARE PRODUCTS

APPLICATION:

TG UNICARE is developed as a specialty product for cleaning and maintenance in one step. TG UNICARE can be advantageously used on stainless steel, vinyl, plastic, rubber, metals, etc. TG UNICARE leaves surfaces clean, maintained, dirt-repellent, and antiseptic. The treated surface of TG UNICARE does not stain textiles or other surfaces, making it suitable for use anywhere and on all surfaces.

INSTRUCTIONS FOR USE:

TG UNICARE can be sprayed onto the desired surfaces and wiped off with a dry cloth or paper.

For best results, TG UNICARE can also be sprayed directly onto a cloth and applied to a surface.

Polishing afterwards gives the best finish.
